What challenged us this year?

What challenges our community in the coming
year?

Are we acting in accordance with a patient's
situation or checking a box?

Photo Credit Rayonick

Photo Credit Adam Dimmick
<https://flic.kr/p/4GPbat>

Is the story that the measure tells us the situation
in high definition?

Photo Credit Alex Proimos
<https://flic.kr/p/bt67c1>

When we listen, do we hear our patients?

Curiosity

Excavation

Presence

Which is best?

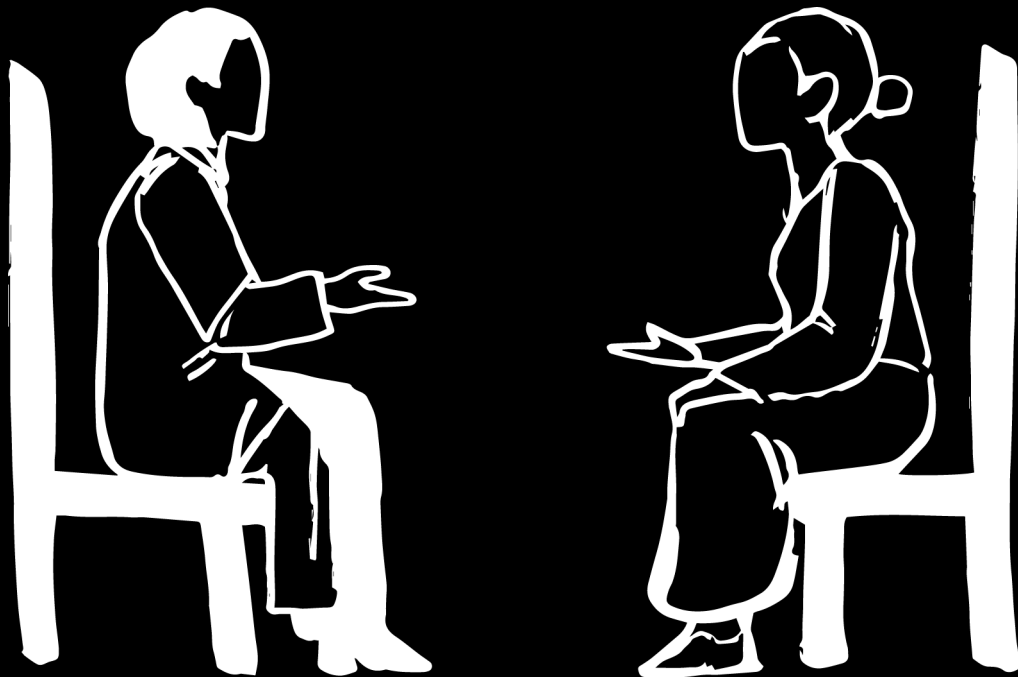

What matters?

What do we want?

How do we manage?

For your safety and ours, please limit the discussion with
your provider to

one issue per visit

please speak to our staff to book more appointments if
needed.
